

## **WCA Ministry Task Forces Forming**

From its inception, the Wesleyan Covenant Association has worked for a revitalized Methodist witness globally. The WCA is committed to reaching all people with the Gospel of Jesus Christ and inviting every person to be a follower of Jesus Christ transformed by the grace and love of God.

As some form of separation in The United Methodist Church appears increasingly likely, the WCA is committed to connecting theologically aligned congregations to one another through the launch of a new Global Methodist Church committed to the historic Christian faith in the Wesleyan tradition. As we work toward the launch of this warm-hearted Wesleyan witness, we desire to multiply local church ministries in key areas of ministry.

The recent Global Legislative Assembly held by the Wesleyan Covenant Association authorized the creation of six ministry task forces to identify best practices, discern God's call, and connect and resource local churches in ministry, as we move into a new season of outreach to our neighbors.

**We are beginning to form the same six task forces in WPA. Plus, we want to create a WPA WCA prayer network. Please let us know if you are interested in helping to form one of these task forces. Email your interest to [wpawca@gmail.com](mailto:wpawca@gmail.com).**

1. Accountable Discipleship – identifying, developing and deploying effective models for disciple making as an integral part of the ministry of local churches, and communicating the necessity of every Christ follower embracing the call to be disciples and to be makers of disciples.
2. Church Multiplication – establishing new local churches and launching additional sites from existing churches particularly in communities where there is no witness to the historic Christian faith in the Wesleyan tradition or where existing churches are not reaching significant portions of their communities.
3. Church Revitalization – empowering existing churches to embrace ministries that will renew and restore their mission of the church for new generations and for changing community demographics.
4. Global Missional Partnerships – developing effective partnerships for local churches to be in ministry with one another globally to advance the Kingdom of God and reach people of diverse cultures with the love of Jesus.
5. Missional Ministry in the Margins – identifying and deploying effective models for local churches to be in ministry with the poor, marginalized, addicted, and recovering.
6. Ministry with Young People and Young Adults – addressing the challenge of reaching teens and shepherding them through the transition to adulthood, and engaging those who are navigating further education or entering the workforce so that they continue as committed Christ followers.
7. WPA WCA Prayer Network – forming multiple teams to undergird the entire work of the WPA WCA.
